

CORPORATE COMPLIANCE...

It Takes Each of Us Doing the ‘Right’ Thing

CROUSE MEDICAL PRACTICE IS COMMITTED TO:

- ❖ Conducting all of our daily activity with integrity and honesty
- ❖ Maintaining an effective compliance program, demonstrating ethical business practices and adherence to federal & state laws.
- ❖ Providing the highest level of quality care for our patients and for our community
- ❖ Ongoing education and training of the CMP team to foster a culture of compliance
 - ❖ Assuring open communication channels for CMP team members to discuss and report compliance concerns

If we’re not doing the ‘right’ thing,
we need to know!
